I agree that it is absolutely necessary to fight to protect our Second Amendment freedoms.

Anti-gun extremists and unscrupulous politicians have progressively whittled away at our right to “keep and bear arms” by imposing unconstitutional regulations and bureaucracy around the sale and use of firearms. I want to stand up to this power grab and make our country a safer place by ensuring that law-abiding Americans have easy access to firearms.

Please continue your vital work in making every Senator, Congressman, and state legislator realize that the American people won't tolerate seeing their Second Amendment freedoms whittled away any longer.

To help in this vital work, I have enclosed my most generous financial contribution of:

\$100___ \$75___ \$50___ \$25___ \$___ (Other)
